Conditions were muddy underfoot and windy but mostly dry. Brilliant runs from Fraser Anderson and Sophie McBirnie and everyone else who took part with a smile. Leo Coombs, the last finisher, took less than a quarter of an hour which is brilliant for a 4 year old.

All 6 runners who completed before, made big improvements. See "change".

Many thanks to Val & Mark for course setting and marshalling. Thanks to Edel and Nicola for looking after the old man and to Janine - International Smile Judge and Kirsty - Muddy Patch Judge.
