Well done to all the cheerful fun runners. Wasn't there a stunning view from the top?

Most of our regulars were faster than last year. Andrew McGill and Pippa Carcas set new course records.

Many thanks to so many kind folk who helped with entries, and setting up:
Mags, Lesley, Ted, Val, and others. Timekeeper and recorder: Nicola and Erin.
International expert officials: Smile judge Kathleen, and muddy patch judge Jennifer.

Mags at registration mentioned that some kind folk left donations. We ended up with £13 more than was due. This will go into my fund to help young runners. Thanks for your generosity.
